

TRAILBLAZERS SIGN-UP FORM Summer 2012

Tamarak's Co-Ed Junior High Camp

Looking for a quality camp for your Junior High School child to spend their summer? Tamarak's Trailblazers program is just the place!

Campers entering 6th, 7th and 8th grade can continue their summers at Tamarak as a Trailblazer with their choice of four exciting two week sessions. Trailblazers can choose one session or all four, it is their choice! Trailblazers spend their mornings at the off site specialty program of their choice and spend their afternoons in camp participating in a variety of leadership activities that include team planning meetings, 5 year old mentoring opportunities and water safety aide training in the pool. We have included a spectrum of interests for campers to choose from to give each camper an enriching summer experience.

Please complete the standard Tamarak Registration Form along with this form indicating your specialty term activities.
