

TAMARAK DAY CAMP BEFORE and AFTER CAMP 2012

We understand that with busy work schedules the timing of the camp day can be somewhat difficult to manage. With this in mind, we are pleased to offer before and after camp programming for all campers.

For a nominal fee, you may choose to drop your camper off starting at 8 a.m. If you need additional time in the afternoon and would like to have your camper after camp you may do that as well. It will be your responsibility to pick up your camper from camp 5:30 p.m. Both morning and afternoon campers will be supervised by Tamarak counselors with a ratio of no more than 5:1.

Morning and afternoon activities will be similar in that they will offer low organized games and sports as well as arts and craft activities. For campers staying after camp, they will have a 30-45 minute period where they will be given a snack and time to rest after the busy camp day. They will occasionally have an additional recreational swim as well.

You may choose as many days for both the before and after camp programming as you need, 1 to 5 days per week. To enable us to staff the program appropriately, you must let us know what days you will be interested in before the beginning of camp. Space is limited due to staffing constraints, so if you are interested in this program please let us know at the time of registration. You can find the Before and After camp registration form at www.tamarakdaycamp.com. Please complete this form and return with your Tamarak registration form.
